The Elementary Progress Report - Grades 1 - 8 students

On November 9th, your child will bring home their Elementary Progress Report. The format was created after years of consultation with parents/guardians, teachers, principals and students across the province. Although it looks much like the Report Card, the Progress Report has a very different intent. The purpose is to share early and specific feedback on your child's development of work habits and the learning skills.

Reporting on the Progress Report is about looking forward and setting a course for the learning journey ahead. Based on the evidence that teachers see, as well as what teachers know about learning at this grade level, the report communicates the path your child is on toward achieving the grade level expectations by the end of the year. The Progress Report does not include letter grades or percentage marks for academic subjects; it instead identifies whether your child is progressing very well, well or with difficulty. For subjects in which your child is Progressing with Difficulty, the teacher will discuss specific next step plans needed for success.

We look forward to partnering with you and your child for a year of great learning and growth.

Allergy Alert

Please be aware that we have several students with life threatening allergies at Prince Philip. To ensure we keep all of our students safe we are requesting that **NO** homemade snacks or treats be sent to school. If you wish to send a treat with your child, please discuss it with your child's teacher and choose a store bought snack with the nut free label on it. Thank you for helping keep all of our students safe.

Prince Philip Book Fair will be taking place from Tuesday November 7-10 in our Learning Commons. Students will be able to visit the book fair during their fitness breaks and families are welcome from 3:05-4:00. Come help us promote a love of reading.

Remembrance Day Assembly

On Friday Nov. 10 at 9:00 am we will be holding our annual Remembrance Day Assembly for grade 1-8 students. Parents and members of the community are welcome to attend.

Lest We Forget.

Treaty Recognition Week at DSBN 2017

Ontario has designated November 5-11 as Treaties Recognition Week with the goal of promoting education and awareness about treaties and treaty relationships. DSBN joins with others school boards across Ontario in encouraging schools to support learning about treaties as an important aspect of our province's history.

For more information on treaties, go to <https://www.ontario.ca/page/treaties>.

Bicycles, Scooters and Skateboards

It is great to see so many students walking or riding to school but please remember that all bikes, scooters and skateboard must be walked on school property. It is very important that students use the sidewalks and do not cut through our busy parking lots. We want everyone to arrive to school and home safely.
